

Smart Healthy Choice
Roasted Cashew Milk

Introducing Cassius

Cassius is Thailand's first cashew-based milk brand using a 100-year roasting method. We deliver a healthy, shelf-stable, and delicious plant-based beverage.

Brand Story

Cassius was born from the traditional wisdom of "Grand Mom Aead," a local Thai matriarch who developed a unique cashew roasting method. By utilizing the natural oil inside cashew shells, our nuts are roasted to perfection without added fat, preserving their rich aroma and nutrients.

Unique Selling Points:

- 100-Year Traditional Roasting
- 100% Plant-Based & Dairy-Free
- Naturally Sweet Aroma from Thai Cashews
- High Calcium than typical plant-based milk.
- No Sugar, No Gluten, No Dairy
- Long Shelf Life (12 months, UHT processe

Roasted Cashew nuts

EXPERIENCE THE RICH TRADITION OF ROASTING

OUR CASHEW IN A CENTURY-OLD ANTIQUE STYLE. UNLOCK THE AUTHENTIC AROMA AND DELIGHTFUL HOMEMADE FLAVOR AND MAINTAINS THE FRUITINESS OF THE CASHEW NUTS FULL AS WE ROAST THE CASHEW'S RESIN, ENSURING A 100% NATURAL PRODUCT WITHOUT ANY PRESERVATIVES OR ADDITIVES.

Caring for the Environment with Every Breath

To reduce smoke from roasting, we operate in a closed production facility with an exhaust fan and a water mist spray at the outlet. This effectively traps soot, reduces pollution, and helps protect the surrounding environment sustainably.
